RECORDINGS/CD

- CD 'Tiny Wooden Gods'
2015
The internationally renowned guitarist and composer Roland Chadwick from England entrusted me with his new musical work 'Tiny Wooden Gods'. In 2015 I recorded this work in the studio of Roland Chadwick in London, together with 3 other classical works.
- Single " Song of Hope"
2018
Song of Hope is a transcription I made of the city hymn from Symphony No.1 by composer, conductor Kevin Houben. I released this work on single. I wrote the transcription on 3 levels: for students of the lower grade in academies, the higher grade and also for conservatory students.
- 'Funiculi Funicula Vol.6'
2018
My Prelude from BWV 998 stood out for radio icon Marc Brillouet. Thus my recording appeared in Brillouet's latest CD ' Funiculi Funicula Vol.6'. Funiculi Funicula is a famous CD series and radio programme in Belgium.
